

## North Bay Wayfarer Weekend 3 July to 5 July 2009

### Schedule of Events (Final)

Note: There are three events scheduled for the Wayfarer Weekend, as shown below. Wayfarers and CL16s are invited to participate in any one or all, so make it a one, two, three event weekend as you choose.

With Canada Day on the move from year to year, in 2009 we find Canada Day falling on the Wednesday before the Wayfarer Weekend, so for those who may fancy a 5 day, super long weekend in the North Bay area, come and join us in a **bonus event** - the July 1 Canada Day Race from North Bay to Callander Bay. We have also moved the Poker Event so that it will lead off the weekend events rather than being the closer.

Registration for the Canada Day race takes place at 11 am to noon at the North Bay waterfront. Registration for the Poker Event will take place on Friday morning at the launch/start site. Registration for the Saturday and Sunday events will take place on Friday evening and Saturday morning at NBYC.
