

Wayfarer Sailors!

The Canadian Wayfarer Association needs your support to continue to provide the excellent photographic coverage of Wayfarer events, boat rigging tips, information and news items found on the Whiffle Web at <http://www.wayfarer-canada.org/>

If you haven't already renewed your membership in the CWA this year, please consider joining and supporting our class association.

Membership in the CWA is now open to CL16 and Mistral owners as well, so if you know of interested owners, please pass this along.

Canadian Wayfarer Association Membership - 2011
