### Important Notes

These are key comments relative to the Scoring of this Event in accordance with the TLFC (Trout Lake Fun Club) Poker Event Rules. Without these it may not be possible to figure out what goes on in the twisted mind of the RC. Poker Hands were reviewed by a professional accountant (after a Dark & Stormy and a beer or two) to ensure accuracy. The rest is somewhat arbitrary and the rules evolve by experience.

1. 2009 winner handicapped by points equal to the boats entered in 2010 (This is known as the "Uncle Al Rule" established in 2006).
2. 2008 winner handicapped by points equal to ½ of the number of boats entered (2<sup>nd</sup> part of the "Uncle Al" rule).
3. Redress on position when arriving Waypoint 5 and finding that the Waypoint person had encountered an aggressive crew in the boat ahead.
4. NEW FOR 2010 – the "Aggressive Crew Rule" (aka "The Julia Rule"). Penalty for aggressive crew taking the handoff stick away from Waypoint 5 (and forcing following competitor to miss hand-off). Penalty was reduced from 3 points to 2 points when Skipper brought the RC a Dark & Stormy. Further Dark & Stormy deliveries could have reduced the penalty even further but the Skipper did not make a return appearance. Other Skippers take note.
5. Bumped by 1 "on water" position due to redress process resulting from the "Aggressive Crew Rule".
6. **2010 Winners** and now subject to handicaps in 2011 and 2012 under the "Uncle Al Rule". Will apply jointly or individually.
7. Winner of **Best Poker Hand award** (4 Queens).
8. Winner of **Good Guys in Wayfaring award**.
9. Winner of the **Fly Swatter award** for finishing last on the water.
